

## Covid-19 POLICY

During this difficult time of living through a global pandemic, I hope everyone and their family is healthy and safe.

2020 has been a devastating year and COVID-19 has affected many small businesses. Modern Weddings Film is a small business that has been affected significantly. We essentially have lost 80% of our revenue for the 2020 year rescheduling most of the weddings to 2021/2022.

As Modern Weddings Film is a small business, we have set new measures in place to make sure that all parties are fully taken care of.

Please see below the new Covid-19 policy for Modern Weddings Film.

1. If a 2021 or 2022 wedding is rescheduled, cancelled, or postponed due to Covid-19 or any other circumstances, deposits will not be refunded.
2. If you decide to reschedule for an off-peak 2021 date and our team is available, you will be charged a rescheduling fee of \$400 and be required to fill out a new contract.
3. If you decide to reschedule your event for a 2022 date and our team is available, you will be charged a rescheduling fee of \$400 and be required to fill out a new contract which will reflect package pricing for 2022.
4. If you rescheduled your event and chose a date prior to checking with us, we cannot guarantee our availability. However, we will do our best to accommodate your event.

As passionate and dedicated filmmakers, we look forward to working with you to make your event memorable.
